Guest speaker Giselle Budgell

Giselle Budgell, program coordinator for **Food for Thought**, was our guest speaker. This local charitable organization works to help children learn by assisting and supporting student nutrition programs in elementary and secondary schools. One message Giselle wants to get across is that the program is not about poverty, it's about providing proper nutrition. During the 2009-2010 school year, the program will serve 8,500 students almost 925,000 meals. Some schools serve five times each week, while some only serve twice.

UPCOMING EVENTS

Here are the highlights of some upcoming Club events; please refer to the schedule of **Social Events** that we received by e-mail on January 25/10 for dates, times and details.

EDUCATIONAL SPOT

The Kiwanis Foundation of Canada Inc. resulted from a challenge made to Kiwanis Canada by Past International Vice President Mel Osborne of the East York (Toronto) Kiwanis Club. Mel was sure that a National foundation would unite, strengthen Kiwanis, and increase membership in all of Canada. The Government of Canada granted the Charter for the Kiwanis Foundation of Canada Incorporated on the 27th of July 1973.
